WHAT THIS COURSE WILL DO

South Carolina Point Reduction Program

Completion of the National Safety Council's Defensive Driving 8-hour course can be used for up to a four point reduction in a driver's Motor Vehicle Record. (This information only applies to individuals with a valid South Carolina Drivers License.)

Effective September 28, 2009, South Carolina drivers seeking to reduce their points and avoid suspension by attending a defensive driving course must complete the course before the suspension begins. They will have 30 days from the date of the suspension notice until the date the suspension begins. Once the suspension begins, the point reduction will not cancel the suspension. Points may still only be reduced once in a three-year period.

WHAT IT WILL NOT DO

This class does not have the power to dismiss a ticket. You should check with your district court about ticket dismissal.

The Defensive Driving course does not reduce your auto insurance rates. Check with your insurance carrier about ways to obtain discounts.

Defensive Driving is NOT a class for Alcohol (DUI) or Drug related violations. Please call 864-467-3076 or visit www.daodas.state.sc.us/intervention.asp.

WHAT YOU MUST DO

Register in advance by calling (864)250-8800 or at www.gvltec.edu/ccd. No walk-ins allowed.

If you wish to attend another Defensive Driving course after missing any portion, you are required to register, pay the tuition fee again and attend the entire course.

BE ON TIME!! The classes start promptly at the scheduled time. You will find the door locked or admission denied if you are late! If you find yourself unable to make a scheduled session for any reason, simply call our office and reschedule the session.

NO EXCEPTIONS ARE GRANTED TO THIS RULE.

We must ensure that the integrity of the course is maintained and the full number of hours and course content are delivered to all attendees.

Defensive Driving is serious business. A person may be dismissed from class for sleeping, doing other work, or showing general lack of interest.

OUT OF STATE PARTICIPANTS: Individuals taking the DDC-8 course for another state will be responsible for submitting any and all paperwork to that state. Neither the Tech College nor the SC Chapter NSC office will handle any information pertaining to a defensive driving course being completed for another state other than South Carolina.
