

Supply Chain Management Associate in Business

Entrance Requirements:

Acceptable ASSET or COMPASS score, plus high school diploma

Type of Program:

Day or night

Type of Degree:

Associate degree

Employment Opportunities:

Industry, hospital systems, governmental agencies

- This program integrates purchasing, shipping and receiving, production and inventory control, quality assurance and control, and stores and warehousing into the overall materials management concept.
- This program is accredited by the Association of Collegiate Business Schools and Programs (ACBSP).
- Students gain knowledge needed to take national certification exams.
 - CPIM, sponsored by the American Production and Inventory Control Society (APICS).
 - CPM, offered by the Institute for Supply Management (ISM).
- Transfer agreements with local universities make it possible to get an associate degree from Greenville Tech as part of coursework toward a bachelor's degree in Business Administration from an articulating college or university. Currently, transfer agreements are in place with Southern Wesleyan University, Webster University and Limestone College. In addition, a transfer agreement is in place with Franklin University where a bachelor's degree may be earned online.
- To graduate with an associate degree, candidates must meet the computer competency requirement by taking CPT 101 (EGR 130 may be substituted with departmental approval) or by passing the exemption exam at a cost to be assessed by the college.
