

How to Use the Course Schedule

Check that you are looking at the correct schedule:

The "term" is the year and semester. Verify the correct term in the upper right. For example: **2020FA Term Schedule for: All Sections**

Filter the list by clicking on any of the options at the top:

All Sections | Barton | Brashier | Benson | Northwest | McKinney | SCTAC | Center for Manufacturing Innovation
 Online | Evening | Weekend | Mid-semester | Blended | First-half | Second-half

Understanding the chart:

Section	Title	Hours	Method of Instruction	Begin - End Times	Days	Start Date	End Date	Last Date to Drop	Last Date to Withdraw	Building	Room	Location	Faculty	Max	Enr	W/L
ABR-102-M01	Mig Welding	3.00	L-L	09:00AM - 02:40PM	MTWR	01-09-17	02-01-17	01-10-17	01-25-17	801	304	Regional Auto Ctr for Excellen	Mays, Eden	16	15	0

Section
designates course name and section number.

Hours
indicates the credits received upon successful completion.

Times and Days
indicate the class times and meeting days (T=Tuesday, R=Thursday).

Last Date to Drop
to ensure class does not appear on a transcript, does not count as an attempt on a class, and grants a 100% refund of tuition.
From Start Date to Last Date to Drop is the Add/Drop period for the class.

Last Date to Withdraw
- Must withdraw by this date to avoid grade penalty. Course will appear on transcript as a "W" grade.
After this date course will appear as an "F"; counts as an attempt on the class; tuition fees are nonrefundable.

About the section number

The first digit usually indicates the campus or location or some other designation
 001-Barton
 B01-Brashier
 C01-CMI
 D01-SCTAC (Donaldson)
 F01-Flex
 FN1-Flex Northwest
 FW1-Flex Online
 G01-Benson
 GV1-Greer – Visual Arts
 H01-Honors
 HW1-Honors Online
 J01-Early College
 M01-McKinney Automotive
 U01-University Center
 W01-Internet/Web
 WF1-Flex Online
 X01-Offsite

Method of Instruction
 LEC - Lecture
 LAB - Laboratory
 L-L - Lecture/lab
 INT - Online
 EXAM – date and location of final exam
 COO - Co-op

Start and End Dates
indicate the first day of class and last day of class for the term.

Class location
designates the building, room and campus where the class will be held. (ONL indicates an online class)

Max – maximum enrollment for the class
Enr – number currently enrolled
W/L – number currently on the waitlist

The last two digits (or three digits for Barton Campus) of the section number designate day, night or weekend course.

Day - 01-69
 Night - 70-89
 Weekend - 90-99
 Barton Day - 001-699
 Barton Night - 700-899
 Barton Weekend - 900-999

Greenville Technical College reserves the right to cancel classes and change course location, times, dates and instructors when necessary.
