- This program trains students to educate patients on proper oral health care procedures, maintain patient recall systems, and expose and process x-rays. Community service is a major component.
- The program is designed as a One-Plus-One program. Phase I includes most of the general education and related course work and may be completed at Greenville Tech or at any articulating college. Upon successful completion of all Phase I courses, qualified students are eligible to apply to Phase II, which includes all of the dental hygiene course work. Applications for Phase II must be postmarked no later than May 1. Students are selected based on a weighted admission criteria and the top 28 students are offered admission.
- Phase II is located at Greenville Tech's Barton Campus and a variety of off-campus clinical facilities. Students must be eligible to go to each off-campus site based on each site's criteria.
- Students from articulating colleges must be able to travel to and/or locate accommodations near Greenville Tech's Barton Campus.
- Graduates are eligible to sit for the Dental Hygiene National Board exam and a regional or state practical exam.

Phase I admission requirements:
- Meet the specific program requirements outlined in Health and Wellness admissions requirements excluding the physical exam. The physical exam must be completed once a seat is offered and be within six months of the Phase II start date.
- Complete a Career Talk session for the major within a year prior to being accepted into Phase II.
- Take the TEAS test.

Phase II admission requirements:
- Meet all requirements for Phase I.
- Complete a weighted admissions form by the designated date. Students are selected based on a “weighted admissions policy” and space availability. Once accepted, a $100 non-refundable deposit is required to hold the seat.
- Attain a minimum technical GPA of 3.0 in all Phase I courses.
- All Phase I courses must be passed with a minimum grade of “C” on the first or second attempt. BIO prefix courses may not be more than five years old
- Submit a physical exam form (see details in Health and Wellness admissions requirements).
- Submit proof of current American Heart Association Health Care Providers course in CPR once accepted into Phase II.
- A crime-free criminal background check and a negative drug screen are required before beginning the clinical phase.
- Be prepared to purchase required supplies, instruments and uniforms.
