I have completed the application process to GTC and have received an acceptance letter from Admissions. I am now eligible to complete the Weighted Admissions Form. 

I will have official transcripts from other colleges sent directly to and evaluated by GTC Transcript Evaluation Office/Student Records. Official transcripts must be submitted once spring courses taken during the application period are completed. GTC does not always recognize courses at another institution as being equivalent to its own. Students can look up Transfer Equivalences on the GTC website or contact the Transcript Evaluation Office. 

If transferring from a foreign county, I will have a course-by-course evaluation from WES. WES evaluation must be received and evaluated by the GTC Transcript Evaluation Office. 

I understand that courses/grades can be viewed in GTC4me. 

I have completed Phase I courses. Only two graded attempts for a course are allowed. 

I have completed the ATI TEAS test. 

I understand that If the test was not administered through GTC, I must have an official transcript sent to GTC via ATI system. 

I understand that TEAS test scores are valid for 5 years. 

I will attach a copy of current certification and/or licensure for previous health-related education, if applicable. Subject to verification. 

I will attach documentation of work experience in healthcare (direct or indirect patient care) on official company letterhead stating dates of employment and job description, if applicable. Subject to verification. 

Weighted Admissions form and attachments will be submitted using the SUBMIT button at the end of this form. Submission serves as the time/date stamp.
