

Student Application for Prior Learning Assessment (PLA)

The Prior Learning Assessment process gives adult learners the opportunity to earn college credit for college-level learning. Students must complete the college admissions process and the online orientation prior to requesting a PLA.

Student Name: _____ Student ID: _____

Phone: _____ GTC Email Address: _____

Program of Study/Major: _____ Term: _____

My signature below indicates that all the information provided is accurate, and I take full responsibility for providing all information required.

Student Signature: _____ Date: _____

STEP 1: Identify courses and why you seek exemption

Briefly explain why you think the PLA program is a good match for your background and for which course(s) you desire exemption. College-level learning may be validated by examination, professional certifications, work experience, military experience, non-credit courses, or portfolios.

Course Prefix/Number **Specific Prior Learning Experience Applicable to Course**
