PREFERENCES - A NOTICE TO VENDORS (SEP. 2009): On June 16, 2009, the South Carolina General Assembly rewrote the law governing preferences available to in-state vendors, vendors using in-state subcontractors, and vendors selling in-state or US end products. This law appears in Section 11-35-1524 of the South Carolina Code of Laws. A summary of the new preferences is available at www.procurement.sc.gov/preferences. ***ALL THE PREFERENCES MUST BE CLAIMED AND ARE APPLIED BY LINE ITEM, REGARDLESS OF WHETHER AWARD IS MADE BY ITEM OR LOT. VENDORS ARE CAUTIONED TO CAREFULLY REVIEW THE STATUTE BEFORE CLAIMING ANY PREFERENCES. THE REQUIREMENTS TO QUALIFY HAVE CHANGED. IF YOU REQUEST A PREFERENCE, YOU ARE CERTIFYING THAT YOUR OFFER QUALIFIES FOR THE PREFERENCE YOU'VE CLAIMED. IMPROPERLY REQUESTING A PREFERENCE CAN HAVE SERIOUS CONSEQUENCES.*** [11-35-1524(E)(4)&(6)]

PREFERENCES - ADDRESS AND PHONE OF IN-STATE OFFICE: Please provide the address and phone number for your in-state office in the space provided below. An in-state office is necessary to claim either the Resident Vendor Preference (11-35-1524(C)(1)(i)&(ii)) or the Resident Contractor Preference (11-35-1524(C)(1)(iii)). Accordingly, you must provide this information to qualify for the preference. An in-state office is not required, but can be beneficial, if you are claiming the Resident Subcontractor Preference (11-35-1524(D)).

___ In-State Office Address same as Home Office Address
 ___ In-State Office Address same as Notice Address (check only one)

NOTICE – Amendment #2
Solicitation GTC 18-09-242IFB

AMENDMENTS TO SOLICITATION (JAN 2004)

All actual and prospective Offerors should monitor the following web site for the issuance of Amendments: www.gvltec.edu/purchasing (a) The Solicitation may be amended at any time prior to opening. (b) Offerors shall acknowledge receipt of any amendment to this solicitation (1) by signing and returning the amendment, (2) by identifying the amendment number and date in the space provided for this purpose on Page Two, (3) by letter, or (4) by submitting a bid that indicates in some way that the bidder received the amendment. (c) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged. [02-2A005-1]

The Following Terms And Conditions Have Been Amended:

Vendor Question;

1. WALL STAND (item 1) requests TRANSVERSE MOVEMENT - this is HIGHLY UNUSUAL for a wall stand (but typical for tubestands). We know of no WALL STAND on the market that offers this, nor do we know of a clinical use for that. Please ask for clarification.

GTC Response;

1. Transverse movement will be nice but not needed

Vendor Question;

2. TABLE (item 2) requests 1000 pound weight capacity, and we do offer that option. However patients of that weight are very rare, and perhaps difficult to get onto the table as well. Is the Greenville Technical College open to considering a more typical table like our 660lbs capacity option?

GTC Response;

2. We aren't doing real patient so 500 lbs will work.

Vendor Question;

3. OVERHEAD TUBE CRANE OTC (item 3) - please describe "sync capability to wall stand and table bucky". Specifically, does this require MOTORIZED TUBESTAND, MOTORIZED WALLSTAND, MOTORIZED TABLE BUCKY and MOTORIZED TUBE ANGULATION plus the capability of auto-tracking between the tubestand-wallstand and tubestand-table bucky, or just the electronics to allow that capability if added later, or just the ability to track SID to each (without auto-aligning to each movement of the wallstand, bucky or tubestand)? Needless to say, there is additional expense for fully motorized, partially motorized, and autotracking systems over typical manual overhead units.

GTC Response;

3. Automatically tracking-but have the option to turn it off

Vendor Question;

4 Another IMPORTANT question for the system - NO GENERATOR is specified (40/50/65/80 kW), so it is UNCLEAR if this is to be a working system for human patients, or for phantoms only, or just a non-ionizing system with demo generator and dummy tube for use in positioning and training only with no x-rays generated.

GTC Response;

4. Working system-only used on phantom-average build.

Vendor Question;

5. For the DR PANEL item, does Greenville Technical College have a preference on size (14x17" wireless is the most common for single detector medical systems) and scintillator (i.e. GadOx or CsI, typically for medical use)?

GTC Response;

5. 14 x 17 wireless panel

All other terms and conditions remain the same. Please continue to monitor www.gvltec.edu/purchasing for further notifications.
End of Amendment # 2
