## **NOTICE OF INTENT TO SOLE SOURCE**

### **Intent:**

Greenville Technical College seeks to procure medical simulation packages ( ALSi, CTGi, AURiS, and REALITi) from ISimulate located in Albany, NY as a sole source procurement under the provisions of Section 11-35-1560 of the South Carolina Code Of Laws and Section 19-445-2105 of the South Carolina Code of Regulations.

### **Determination:**

iSimulate is the sole source provider for ALSi, CTGi, AURiS, and REALITi which provide economical, highly advanced and realistic patient condition simulation packages. ALSi, CTGi, AURiS, and REALITi cannot be purchased through any other vendor and there are no other similar products available on the market. These products are developed and owned by iSimulate.

ALSi represents the latest advancement in medical simulation technology. It is so easy to use that you can be up and running in less than two minutes and can act as a fully featured multi parameter monitor, AED, and defibrillator. The simple setup makes it great for situational training. ALSi provides a super realistic simulation experience, enabling hi fidelity simulation even in low fidelity situations.

CTGi provides a realistic fetal heart rate monitor package with real time cardio-tocography simulation technology. CTGi gives facilitators a great tool for training and students an incredibly realistic platform to learn from.

AURiS allows heart, lung, and bowel sounds to be simulated using just a training stethoscope and an iOS device. AURiS is easy to use and allows training to be conducted in a variety of different environments. REALITi is a simulation ecosystem that integrates live wireless video streaming, live voting, dynamic 12 lead ECGs, mimics proprietary monitors and defibrillators, such as Zoll X series, LP15 and GE Carescape and can grow/adapt with our simulation needs.

The college has therefore determined that ISimulate is the only source for this medical simulation technology, and seeks to enter into a contract under a sole source determination.

### **Company Specifics:**

ISimulate – Albany Medical Center BACC  
43 New Scotland Ave (MC #25)  
Albany, NY 12208
