

Greenville Technical College Libraries
Application for a Library Card
(High School Student)

Minor students enrolled in Greenville Tech's Charter High School and/or Early College program are subject to the same regulations as adult students and must abide by library policies. Daily late charges are assessed at \$.10 per book and \$1 per DVD/video.

Notices for overdue items will be sent to the student's home. Any item overdue more than 35 days will be assumed lost, and the replacement cost will be charged to the student's record until the item is returned. Borrowing privileges will be suspended for charges of \$10 or more, and the student's school record will be blocked, preventing the student from receiving grades or diplomas. All fees and fines are subject to change. **Parents are ultimately responsible for all fines incurred by students.** Policies, fines and fees are subject to change without notice.
