Facts for the Year 2017-2018

Strategic Imperatives

• **Teaching and Learning**
  The college provides an engaging learning environment anticipating and responding to community and student's diverse needs.

• **Student Access and Success**
  The college enhances student’s progression toward their goal through innovative practices, processes and policies.

• **Employee Development**
  The college supports the development of professional, knowledgeable, and high-performing employees, encouraging informed risk taking and implementing employee-driven ideas.

• **Operational Excellence and Accountability**
  The college ensures operational and service excellence by exceeding customer expectations.

• **Community Engagement**
  The college operates as a catalyst in the community to meet the changing needs of employers and the environment.

Service Excellence Philosophy
Greenville Technical College creates economic security by transforming lives through access to services that consistently surpass student and business expectations. Good service is an expectation. GREAT service creates loyal customers who recommend GTC to their family and friends. Service that SURPASSES expectations is what we strive to achieve at GTC.

Accreditation
Greenville Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates, diplomas, and associate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of Greenville Technical College.

GTC at a glance

$417.2 million
Total Impact to Greenville County in One Year

- 87% Graduate Placement Rate
- 84% Licensure Pass Rate
- 92% Quick Jobs Completion Rate
- $5,000* Savings Compared to 4-Year Colleges
- 357 Companies Served in Greenville County by Economic Development & Corporate Training (EDCT) Division

GTC graduates earn more than 40% higher annual incomes than those with just high school diplomas. Over a working lifetime, this means about $540,000 more in personal income (associate degree vs. high school diploma).

For every $1 of public money spent on GTC, taxpayers receive a cumulative return of $5.50 over the course of students’ working lives in the form of higher tax receipts and public sector savings.
